- Environmentally Preferable Products and Services**

At our store we have fully switched to having plastic free straws. We also have bags that are made from 100% recycled material with a minimum 60% post-consumer fiber that are also rainforest alliance certified. We also provide sleeves for warmed drinks that are made for 100% recycled fibers with a minimum 99% post-consumer material.

Waste

- Solid Waste Reduction and Reuse**

Discounts are offered to customers that bring their own cups.

- Recycling**

Our store recycles all milk jugs as well as all our cardboard.

Composting

We have teamed up with the local community as well as ECO City farms to donate our grounds and have managed to donate 600 lbs. of grounds for composting.

Energy

Energy Efficiency

Our store currently uses energy efficient LED bulbs saving a total of 23,718 kWh yearly.

Environmental Certification Programs, Awards, and Other Activities

- Starbucks is a founding partner of [Transform to Net Zero](#), a cross-sector initiative to accelerate the transition to a net zero global economy
